A Sweet Surprise for the Library

by Gail Scott

Local students Emily Korpa (1st grade), Camryn Ferderbar (7th grade), and Kassidy Thompson (5th grade) recently decided to have a lemonade stand to raise money for new books for the Hampton Library.

Emily came up with the idea and her friends wanted to help. The girls used a recipe from the Pioneer Woman's cookbook and made lemonade the old-fashioned way. They experimented with different recipes to create the perfect concoction. The girls squeezed 48 lemons, sliced strawberries, and made simple syrup. They decorated and hung signs to advertise the lemonade stand. Camryn said, "My favorite part was squeezing the lemons." The girls even enlisted their brothers help to flag down cars.

The stand was located on the corner of Pembroke Court and Talley Cavey Road. Emily said, "I really enjoyed pouring the lemonade and serving the customers. It made me happy."

The stand was on Friday, (Continued on page 19)

Independence Day Celebration

by Gail Scott

Hampton held its annual Independence Day Community Celebration on July 3rd, and this year's event was bigger than ever. The Hampton pool had a free swim in the afternoon, which proved popular because of the abundant sunshine and warm temperatures. In the late afternoon and evening, the celebration featured food booths, carnival style games, and inflatable play areas for the kids. The new community playground was a big hit and it was packed with happy children all day long.

Families set up tents, picnics and blankets all around the parking lot area and soccer field and enjoyed the day with friends and neighbors. Unfortunately, a severe rain storm rolled through around 5 p.m., breaking many tents and drenching party goers. Happily, everyone quickly recovered and set up their picnics again. The Hampton Band performed, the scouts raised the American flag and Hampton librarian, Suzanna Krispi, sang the National Anthem. Local band Austin Drive performed in the evening and had the crowd rocking and dancing. The night was capped off by a fabulous fireworks display.

Another special feature of this year's celebration was the display of the American Veterans Traveling Tribute – the Vietnam Veterans Memorial Wall. Hampton Township was proud to have the opportunity to host the traveling memorial from June 29th to July 4th. The wall was open day and night and huge numbers of people came to Hampton to pay tribute to our lost Vietnam veterans. The Hampton Township council’s focus for this year’s celebration was Honor, Respect, Remember. The council thanked Hampton residents for their amazing help volunteering at the traveling memorial and assembling and disassembling the wall.

Hormone Imbalance and Weight Gain

Everyday people come into our shop saying they want to lose weight. They claim to have “tried everything.” They’ve cleaned up their diet and cut-out the processed foods. They started a new exercise program and are moving their bodies regularly. Perhaps they’ve even added in some supplements to support their health. However, despite their best efforts, they are still not able to drop stubborn pounds.

These folks are not alone, and perhaps you’re one of them. Weight-loss resistance is an epidemic today, and the driver of this frustrating state is hormone imbalance. It’s NOT your fault that you can’t seem to drop extra weight. When your hormone system is out of whack, your cells can’t communicate properly and hang on to toxic fat stores. What’s more, taking supplemental hormones to balance your system is not a lasting solution to help you feel better and lose weight permanently.

But what is causing such widespread hormone havoc leading to weight-loss resistance? The answer may surprise you, and we’ll bet it’s one that you haven’t heard before. Come visit Revelation Health and we will educate you on the root cause of hormone imbalance, and what you can start doing immediately to jumpstart weight-loss and increase your overall health.

Eat Fat to Burn Fat:
Lemon-Vanilla Fat Bombs
Makes about 12 treats

Ingredients (organic when possible):
1/2 cup coconut butter
1/2 cup Skinny coconut oil
1 lemon juiced, including pulp
1 Tbsp. raw honey or 1 tsp. Stevita stevia
1 Tbsp. vanilla extract
Pinch of turmeric (for vibrant color)
Pinch of sea salt

1. Put all ingredients in saucepan and heat on low until combined.
2. Place into a blender and mix until smooth.
3. Pour into coconut oil greased molds and refrigerate until firm – about 30 minutes.
4. Pop out of molds and enjoy!
5. Keep stored in fridge to prevent melting in warm weather.

Police Log

The Hampton Township Police Department is dedicated to enhancing the quality of life of our residents and guests by providing the very best in law enforcement services. The twenty-two officers and two civilian clerks take pride in serving the community in a professional and proactive manner. Thank you to the staff for helping to keep our community safe.

A summary of noteworthy incidents that occurred between June 8th – July 16th.

Drug Arrest

On June 29, 2017 at 6:44 p.m., Hampton Township officers were dispatched to a business on Sample Road for a trespassing and criminal mischief complaint. The reporting party stated that three males were trespassing on the property, causing damage at the location. The three males had fled prior to police arrival. Officers were able to locate the three males, two of which provided false identification information to the officers. One actor was also found to be in possession of drugs.

On July 16, 2017 at 5:28 p.m., a Hampton Township officer stopped to perform a welfare check on the occupants of a vehicle on Wildwood Road. The officer observed, in plain view, drugs and paraphernalia. The determined owner of the illegal items was advised that they would be charged with possession.

Theft from Vehicle

On June 9, 2017 at 10:47 a.m., Hampton Township officers were dispatched to Greengrove Drive for a theft from two vehicles. Upon speaking with the reporting party, they stated that during the overnight hours, an unknown actor(s) entered their two unlocked vehicles, which were parked in their driveway, and stole multiple items.

On June 27, 2017 at 1:15 p.m., a resident from Birchwood Lane filed a report at Hampton Police Station for a theft from their vehicle. The resident stated that sometime during the overnight hours, an unknown person(s) entered their unlocked vehicle and stole multiple items.

Residents are encouraged to refrain from leaving anything of value in their unoccupied vehicles, and should lock vehicles while unattended.

DUI Arrest

On June 28, 2017 at 2:09 a.m., a Hampton Township officer conducted a traffic stop on a vehicle on Harts Run Road after it was observed to be traveling at excessive speeds. Upon speaking to the operator, the officer observed signs of impairment. The operator was asked to perform field sobriety tests and was unable to complete them as explained and demonstrated. The operator was subsequently placed under arrest for suspicion of DUI.

On July 14, 2017 at 12:59 a.m., a Hampton Township officer initiated a traffic stop on Craighead Road after observing the vehicle in question strike a curb. Upon speaking with (Continued on page 4)
the vehicle operator, they showed visible signs of impairment. The driver was also found to be in possession of drugs and paraphernalia. The driver was subsequently placed under arrest for suspicion of DUI.

**Vehicle Accident/DUI Arrest**

On June 11, 2017 at 6:30 p.m., Hampton Township Police were dispatched to Middle Road, at East Hardies Road, for a single vehicle accident. Upon arrival, the responding officer located the operator of the vehicle already being attended to by Hampton EMS. The operator had sustained injuries from the impact of the crash. The involved vehicle, which had struck a telephone pole, had to be towed from the scene. The operator showed visible signs of impairment, and was asked to perform field sobriety tests. The operator was unable to complete the field sobriety tests and was subsequently placed under arrest for DUI.

On June 29, 2017 at 1:30 p.m., Hampton Township Police were dispatched to Route 8 for a two-vehicle accident. The reporting party advised that one of the vehicle operators was possibly under the influence of drugs or alcohol. Upon the arrival of responding officers, they were informed by one operator and a witness that a traffic light had turned red, and that the one involved vehicle came to a stop halfway through the intersection. They reported that the operator then put the vehicle in reverse and backed into the other involved car. Upon speaking with the operator, they showed visible signs of impairment and...
Police Log (Continued from page 4) were unable to complete field sobriety tests. The operator was placed under arrest for suspicion of DUI and possession of drugs.

Vehicle Accident

On June 23, 2017 at 5:53 p.m., Hampton Township officers responded to Richland Road for a single vehicle accident. The vehicle was found to be over a hillside. The operator stated that they lost control of the vehicle while attempting to negotiate a curve in the roadway. The vehicle also caused property damage after striking a street sign and a swing set. It also caused damage to shrubs and a lawn. The vehicle was towed from the scene.

On July 6, 2017 at 8:39 p.m., Hampton Township Police responded to West Hardies Road and North Pioneer Road for a two-vehicle accident. The accident occurred when the operator of one vehicle attempted to turn onto West Hardies Road from North Pioneer Road without enough clearance and col-

Vodde Named to IWLCA Academic Honor Roll

The Slippery Rock University women's lacrosse team was named this week as an Academic Honor Squad by the Intercollegiate Women's Lacrosse Coaches Association, and rising senior Bre Vodde was named to the IWLCA Academic Honor Roll. To qualify as an IWLCA Academic Honor Squad, a team must post a collective grade point average of 3.0 or above at the conclusion of the academic year. The Rock's roster compiled a collective GPA of 3.113.

In order for an individual to be named to the Academic Honor Roll, a student-athlete must be at least a junior in academic standing and must own a cumulative GPA of 3.50 or above. Vodde, a secondary education major focusing on mid-level mathematics, has completed 112 credit hours and owns a 3.94 cumulative GPA heading into her final year at SRU. She tallied 33 points in her junior campaign last spring, tripling her previous single-season scoring mark. Those 33 points were third most on the team and included 31 goals and two assists. Vodde also picked up 26 ground balls and caused seven turnovers. In three years at SRU, Vodde has appeared in 41 games and tallied 46 points on 43 goals and three assists. Bre Vodde is a 2014 Hampton High School graduate and is the daughter of Julie and Bill Vodde.
The Hampton 10U Fastpitch girls softball edged out a 1-0 win against the Bethel Park Fire in the Championship game of the Shaler tournament.

There was not much offense to speak about in the championship game due to great pitching from both teams! The game was scoreless until the bottom of the 5th inning. Hampton scored one then held them in the top of the 6th with the tying run on third to secure the victory.

Led by strong pitching from the ace, Cassie Vidic, and great defense, the girls were 4-0 in the tournament and only gave up 1 run in four games! (Scores were 11-0, 2-0, 2-1, and 1-0).

lided with the second vehicle. The second vehicle had been traveling on West Hardies Road at the time of the crash. One vehicle was towed from the scene, and one involved party complained of pain.

On July 10, 2017 at 4:46 p.m., Hampton Township officers responded to the intersection of East Hardies Road and Turner Road for a two-vehicle accident. Two vehicle occupants were transported by private vehicle to the hospital for evaluation. Both involved vehicles had to be towed from the scene. The accident occurred when the operator of one vehicle failed to stop at a stop sign and their vehicle collided with the other car.

Motorcycle Accident

On June 20, 2017 at 11:33 p.m., Hampton Township officers responded to Wickline Road for a motorcycle versus deer accident. Upon arrival, the operator stated that a deer ran out in front of their motorcycle, and they were unable to avoid colliding with the deer. The operator sustained a leg injury and was transported to the hospital by ambulance for further treatment.

Attempted Fraud

On June 16, 2017 at 12:32 p.m., a Hampton Township officer responded to a local business on Route 8 for a report of attempted fraud. The responding officer spoke to the reporting party, an employee at the business, who was concerned that a customer was falling victim to a common phone scam. The customer advised the responding officer that they received a phone call from an individual claiming to be with Duquesne Light Co. They reported that the individual told them that they owed an outstanding bill, and that they would come over immediately and shut off the power at the reporting party’s office unless the bill was paid off. The customer stated that the male advised them to go and buy $1,500.00 worth of CashPak gift cards, and to call him back after getting the gift cards so that they could remedy the unpaid balance. The cashier at the business intercepted the customer and advised them that many phone scams result in gift card purchases, and proceeded to call 911 for the suspicious incident. The customer was advised that the phone call they received was a common scam, and that actual business entities would not require an unpaid balance of a service in the form of gift cards.

On June 26, 2017 at 10:21 a.m., Hampton Township police were requested to respond to a business on Route 8 to take a report regarding attempted fraud. Upon arrival, the responding officer spoke to the complainant, who stated that they received a phone call from a girl who was crying and saying that she had been kidnapped. A male voice then got on the line saying that he would kill the girl, and asked how much money the complainant had. The reporting party stated that they had ten dollars, and the male hung up the phone. The reporting party had checked to verify that all of their family members were safe and was advised that this is a common phone scam.

Water Main Break

On June 13, 2017 at 11:18 a.m., officers were dispatched to Route 8 for a water main break. Upon arrival, officers observed a large water main break in the area of 5036 Route 8. Hampton-Shaler Water Authority responded to the scene to remedy the problem.

put a lot of effort in.”

This year’s theme is *Forrest Gump*, based on the 1994 movie of the same name. The show will feature several famous classic rock tunes. Special effects include a 10’ feather prop, reminiscent of the start and end of the movie, and eleven park benches symbolizing the scenes where Forrest tells his life’s story. The benches will move throughout the show to create focal points and “stages” for the students to perform in and around.

Sarah Rock, junior flute player, is excited about the new season and remarked, “I believe the park benches will be a crowd favorite.”

Mr. Himmler summed up the anticipation by saying, “I’m very excited for this new year and the opportunity to work with these band students who are tremendous young adults who work very hard.”

See the band perform each Friday night during halftime of the football games. In addition, plan to attend these other special Band performances:

Jen’s Brigade Runs Again

By Gail Scott

The Pineapple Classic, an exciting and family-friendly 5K obstacle course and race, is set to take place on Saturday, September 16th at Hartwood Acres — and Jen’s Brigade will once again be a big part of it.

Gary Bergman founded Jen’s Brigade after his wife Jennifer passed away from lymphoma 5 ½ years ago. Jennifer loved Hartwood Acres, so the race is a great way for her family and friends to keep her memory alive. Jen and Gary’s four daughters participate in the race each year. Jen’s Brigade grows each year, from its initial two teams to last year’s 13. This year, the family is hoping for over 100 people to sign up for the Classic as part of the Brigade.

Participants can run individually or in teams up to 4. Every team must carry a pineapple through the course and all the obstacles. There are 18-20 obstacles including a large slip and slide, a spider web, 2 fire jumping pits, a tunnel crawl, a potato sack race, a dunk tank, and more. The obstacles are easy and kids can participate more easily than most adults!

Go to Pineapple5Kclassic.org for more information and to register. Anyone interested in joining Jen’s Brigade can contact Gary at 412-720-6411, and he will get you a Jen’s Brigade t-shirt. You will also get a Pineapple classic t-shirt in your official race packet when you register on-line. There is a luau after the race a small obstacle course with inflatables for the kids.

A Generous Act of Giving

The youth group from Hampton Presbyterian Church along with TEAM Effort went on a mission trip to Hampton, Virginia to help residents with home projects.

Lemonade (Continued from page 1)

July 21st from 4 to 6pm. Kassidy's favorite part "was getting the customers to stop by and get some homemade lemonade."

The girls went to the library and donated $112, surpassing their goal of $100. The girls plan on making this an annual event, so be sure to stop by next year!
